

Bellevue Botanical Garden Society Information During COVID-19

Current as of 3-18-2020

In response to state and local orders issued to protect residents' health from COVID-19, the City of Bellevue is cancelling all programs at Bellevue Botanical Garden through April 30, 2020. We apologize for the inconvenience and disruption.

Although classes and lectures have been cancelled for March and April, you may still register for classes and lectures beyond April 30, renew or begin a membership, make a donation, or communicate with Society staff (see below for a directory). Do keep in mind that staff is working remotely, so receipt of your member materials and donation acknowledgment letters will be delayed. Rest assured that we will get these materials out to you as soon as we possibly can.

If you need to reach Society staff, below is a directory. Email is the most efficient means of communicating with us:

Courtney Voorhees, Manager: cvoorhees@bellevuewa.gov

Darcy McInnis, Communications Manager: dmcinnis@bellevuewa.gov

Kate Sorensen, Adult & Children's Programming, Living Lab:

ksorensen@bellevuewa.gov

Tracy Landsman, Membership & Donor Relations: tlandsman@bellevuewa.gov

For general questions, please email bbgsoffice@bellevuebotanical.org.

Thank you for your understanding and patience during this difficult time.
