Bellevue Botanical Garden Society Information During COVID-19

Current as of 4-28-2020

In response to state and local orders issued to protect residents’ health from COVID-19, the City of Bellevue is canceling all programs at Bellevue Botanical Garden through May 31, 2020. We apologize for the inconvenience and disruption.

Although in-person classes and lectures have been canceled through May 31, you may still register for classes and lectures beyond May 31, renew or begin a membership, make a donation, or communicate with Society staff (see below for a directory). Do keep in mind that staff is working remotely, so receipt of your member materials and donation acknowledgment letters will be delayed. Rest assured that we will get these materials out to you as soon as we possibly can.

We will also offer webinars beginning in May, so please check our website for current offerings.

If you need to reach Society staff, below is a directory. Email is the most efficient means of communicating with us:

Courtney Voorhees, Manager: cvoorhees@bellevuewa.gov
Darcy McInnis, Communications Manager: dmcinnnis@bellevuewa.gov
Kate Sorensen, Adult & Children’s Programming, Living Lab: ksoersen@bellevuewa.gov
Tracy Landsman, Membership & Donor Relations: tlandsman@bellevuewa.gov
Shannon Darrow, Trillium Store Manager: sdarwin@bellevuewa.gov

For general questions, please email bbgsoffice@bellevuebotanical.org.

Thank you for your understanding and patience during this difficult time.
