

# Symposium

Each autumn, our Symposium brings together a diverse group of internationally known horticulturalists, landscape designers, scholars, explorers, and writers who speak on a wide range of topics related to horticulture, gardening, history, and the natural world. A rapt audience gains knowledge, awareness, and inspiration that they can put to immediate use in their own lives. The Symposium is co-hosted with Heronswood Garden and takes place at the Bellevue Botanical Garden.

## Sponsor Benefits

|   | Presenting Sponsor<br>\$5,000 | Gold Sponsor<br>\$2,500 | Silver Sponsor<br>\$1,000 |
|---|-------------------------------|-------------------------|---------------------------|
| Sponsor name/logo on PowerPoint slides, as well as verbal recognition during the event. | ●                             |                         |                           |
| Sponsor name/logo on event banner.  | ●                             | ●                       |                           |
| Sponsor name/logo in event-related emails.  | ●                             | ●                       |                           |
| Sponsor name/logo on the Symposium webpage with link to sponsor website.                | ●                             | ●                       | ●                         |
| Sponsor name/logo on printed event materials.   | ●                             | ●                       | ●                         |
| Complimentary admission to Symposium.   | 4 tickets                     | 2 tickets               | 1 ticket                  |
| Sponsor name/logo in four issues of quarterly newsletter.                               | ●                             | ●                       | ●                         |
